

LEARNEM & DAILEY'S 5-RING CIRCUS OF FAITH

LEARNEM & DAILEY'S 5-RING CIRCUS OF FAITH

Ring 1: FAITH AND TRUST

Daniel Refuses the King's Food (Daniel 1:1-20)

Lesson Aim: To learn the importance of having faith in God and trusting Him completely with our lives.

The Flying Trapezus Brothers—Trapeze artists have to completely trust their partners in order to complete their act (and stay alive!). We must completely trust God in our lives.

Ring 2: PRAYER AND BIBLE STUDY

King Josiah Finds God's Law (2 Kings 22:1-23:25)

Lesson Aim: To see the power of prayer and Bible study in our daily lives.

Cannonball Carl—It takes power to shoot a man from a cannon and he will go further than he could go on his own. Prayer is powerful and coupled with Bible study can take us further than we can take ourselves.

Ring 3: PEACE AND CONTENTMENT

Paul Learns To Be Content

(Philippians 4:4-13; 2 Corinthians 11:22-12:10)

Lesson Aim: To learn how peace and contentment can help us make it through difficult times in our lives.

Irene the Elephant—When the elephant is balancing on a ball in the center ring, he remains very calm and focused even amid the chaos of the circus. We need peace and contentment in our lives so that we can function even under the most difficult circumstances.

Ring 4: FELLOWSHIP AND FAMILY

The Fellowship of the Early Church

(Acts 2:41-47; 4:32-35)

Lesson Aim: To show the value and joy that can be found in true Christian fellowship.

Car Full o'Clowns—To be able to crowd into a small car, the clowns have to work together and get along with each other. This lesson shows the value and joy that can be found in true Christian fellowship. We can learn how to accept one another to truly become a family.

Ring 5: SELF-CONTROL AND SUBMISSION

Jesus Does God's Will (Matthew 26:36-46; 27:32-54)

Lesson Aim: To see that, even in a world that teaches the opposite, we should always control ourselves and rely on God.

Lex the Lion and His Tamer—The lion must submit to the lion tamer. The lion tamer must exhibit great control over his actions. This lesson stresses the importance of self-control and submission to God and authority. In a world that teaches indulgence, self-control is rare. In a world that teaches self-sufficiency, submission is rare.

Vacation Bible School 2013

Step right up! In our 2013 series we will spotlight some qualities that come from having faith in God. We will learn that prayer and Bible study can take us further than we can take ourselves. Peace and contentment, Christian fellowship, self-control, and submission to God and authority are very important in our lives. In a world that teaches us the opposite, it is rare to see people living this way. "Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ" (Romans 5:1). **LEARNEM AND DAILEY'S 5-RING CIRCUS OF FAITH** will help your students learn that faith should be in the "center ring" of our lives.
